Department of Toxic Substances Control
California Environmental Protection Agency

Public Comment Period Extended

CENTRAL REGION HIGH SCHOOL # 13

In order to provide the public additional time to review and comment on the Initial Study/ draft Negative Declaration, required by the California Environmental Quality Act, the public comment period has been extended to:

January 28, 2008

The California Department of Toxic Substances Control (DTSC) encourages your participation and invites you to provide your comments on the cleanup. Comments must be postmarked by January 28, 2008 and sent to:

Maya Akula
Department of Toxic Substances Control
1011 N. Grandview Avenue
Glendale, California 91201
Email: makula@dtsc.ca.gov

The draft Remedial Action Plan, Initial Study/draft Negative Declaration, and other documents related to this project are available for public review at:

Cypress Park Branch Library
Reference Desk
